OUTREACH PRAYER DIARY

WWW.DEREKPRINCE.COM

JANUARY 2025

Derek Prince once said: “If we had complete and unreserved faith in three aspects of God’s nature – His goodness, His wisdom, and His power – then we would never disobey God.” This faith would also stir our prayers! TESTIMONY – Vietnam

“I am so thankful to you for helping me get wonderful resources, especially the Self-Study Bible Course. I was struggling with how to study the Bible effectively and how to lead new believers. Then I was invited to the training. I was so moved that my wife and I began the study. This book really made an impact on me. I am motivated to go out to teach others. God has now given me three groups to teach this course to and they all responded very well. I believe God’s Word through this book will change many more lives and they, in turn, will reach others.” —Hoang

OUTREACH REPORTS – India

- Directors Elsie and Danny held three conferences for pastors late last year with over 400 taking part. In Chennai, they taught on *Spiritual Warfare*, and at the end of the message, the organizing pastor stood and said, “I have never understood spiritual warfare until now. To us, it was just the devil opposing us and we struggled to overcome him. We thought we had to always endure the struggles. Today, we have been taught from the Word of God to take up our weapons of warfare, which will give us the victory, not weapons that will help us struggle. I am leaving with the confidence that now I will see a breakthrough in my ministry and bring the people of my district to salvation.”
- A teaching conference was held in Tamil Nadu for 70 pastors, followed by a very productive three-day youth leaders training program. We faced the threat of severe weather conditions, and several pastors urged us to cancel the meetings. However, our coordinator had a strong sense of divine guidance to proceed, and sure enough, there was bright sunshine throughout! While heavy rains surrounded the area, where the meetings were held remained completely dry! This became a powerful testimony and challenge for the pastors to stand in faith and witness God’s hand at work on their behalf. Derek’s books were given to them and the young leaders, along with SD cards containing his teaching. The youth who attended were exceptional, and many were thrilled to receive such a valuable training opportunity. Almost every participant committed to go out and train other young people!

JANUARY 8 **CHINA**

- Pray for the printing and distribution of *Applying the Blood*, which will be printed soon in China. Pray for this message to give

A follow-up appointment with her doctor confirmed the incredible news that she was cancer-free!

TESTIMONY – Netherlands

“In 1999 an evangelist gave me the book, The Divine Exchange. At that time, I was deeply involved in the occult. I owned a New Age shop and ran a healing practice as Reiki Master. Although I was depressed, divorced and battling with illnesses, I was strongly convinced of my beliefs. The Holy Spirit started speaking to me through this book. The next week, the evangelist explained the Gospel to me again and I finally broke. I encountered Jesus and was deeply touched by God’s love. It was a dramatic conversion. The next day, I closed my shop and healing practice. The Divine Exchange had opened my eyes. Praise God for His mercy and my ‘homecoming’ after such a long search in life. I continued reading more of Derek’s books, including Blessing or Curse, and They Shall Expel Demons. They helped me get healed and restored and build up my faith. I have received a new life, forgiveness, salvation, deliverance and hope for the future. Praise Jesus!”

TESTIMONIES - Armenia

- This summer, we provided some unforgettable moments for about 100 children, most from extremely needy families, who are orphans or had been forcibly displaced due to war. For six days, they enjoyed time studying God's Word, participating in prayer and worship, and spending quality time with friends through team games.

Kristina is 14 years old. Her family was forcibly displaced from Nagorno-Karabakh after enduring a ten-month blockade with no access to food or hygiene supplies. Today, they live safely in Armenia, but the scars of war and the loss of her homeland weighed heavily on her. She shared with us: *"At first, I didn't want to attend this summer camp. I didn't want to leave my family, and I had fears, but when my parents encouraged me, I agreed to go. Honestly, I was freed here from my fears and anxieties. The sound of bombs used to echo in my ears, but after prayer and counseling, I can now sleep peacefully and no longer feel afraid. I am grateful to Jesus for this wonderful gift."*

- Armenian artist Arman Matevosyan discovered Derek's teachings on YouTube and committed his life to Jesus as a result. He testifies: *"I might have been dead if I hadn't given my life to Jesus through Derek's teachings. Through Derek Prince's Armenian office, I found God, and today I serve Jesus through my art."* Arman is now a close ministry partner.

“After going through an extremely shaky, confusing and painful time in church, I came across Derek Prince’s teachings on YouTube. I loved the simple yet profound and practical way he taught. I loved how he believed the Word and had this almost childlike faith in God. I am slowly on my way to restoration. I am so stirred by Derek’s life and teachings. Finding his books in South Africa was a very big blessing. I feel the ministry God called him to is living on and still equipping us for the challenges we face today. Thank you so much for all you are doing to make the Word of God available to us through Derek’s teachings. God bless you.” —Ruan

*“About a year ago, I was introduced to Derek Prince by my boyfriend. I explored various resources related to Derek Prince, and through the radio broadcasts, I learned about the gift of speaking in tongues and have since learned to speak in tongues myself! As someone with a chronic illness who has often been hospitalized, I read the book *God’s Word Heals*, and I am grateful to say that I have not been hospitalized since! My boyfriend’s mother also gave me the book about Lydia’s life, which I couldn’t put down. I am so thankful that the Lord led me to Mr. Prince’s teachings.” —Zola*
