JULY 2024

Derek Prince once said: “If we had complete and unreserved faith in three aspects of God’s nature – His goodness, His wisdom, and His power – then we would never disobey God.” This faith would also stir our prayers! Please join us in prayer for our mission of making Derek’s life-changing Bible teaching available to those who desperately need it. Thank you for supporting our outreach.

OUTREACH REPORTS – India

After an 11-year gap, Elsie and Danny held a three-day seminar for pastors in Delhi and Shillong, Meghalaya. Elsie taught on *Spiritual Warfare*, with 250 people at each session and more than 400 in the evenings. On Sunday morning, over 1,500 came, with 2,000 more watching online. The Lord moved mightily with prophecy and deliverance, and many were set free! There was such joy at the end of the service. Everyone celebrated and danced for over an hour—praising God for what He had done!

Elsie and Danny returned to the remote Andaman Islands (in the Bay of Bengal) in May to hold a three-day training program for 50 Christian young people. There was an amazing response as the teaching brought new clarity and breakthroughs. Many were powerfully anointed, and several had a clear call from the Lord. Elsie and Danny also held a conference on *Spiritual Warfare* for nearly 120 pastors, their wives, and missionaries. One pastor and Bible teacher testified that he could see spiritual warfare in a new perspective.

Participants attending the seminar included all 12 clients of the drug rehabilitation center called ‘Shalom House.’ There were many testimonies of God setting people free, bringing both emotional and physical healing from a range of chronic conditions. Alisher, who comes from a Muslim background and is now a Christian, writes:

“Derek Prince’s book on blessings and curses helped me a lot. Curses are very common in our culture. People use such words every day without realizing their destructive effects. In Islam, they believe in the power of the curse, but they do not possess the power to get rid of that curse. Derek Prince helped me understand that the tongue has the power of life and death. After reading Derek’s book, my vocabulary has changed radically. Instead of cursing, I bless others and I am always thankful. Thank you for making this book available in my native language. It played an extremely important role in my life and that of my friends.”

The organizer wanted to order 150 of our “Comfort for Israel” proclamation cards. We donated these, and 100 each of other proclamation cards on Israel, along with books, CDs, and DVDs about Israel.

Regarding our recent elections, many Christians nationwide were praying and fasting. Everyone was offered Derek’s material for free and excited to be able to have it. We did not have a digital copy of *Shaping History through Prayer and Fasting* in Afrikaans. A printing company helped rescan and print the book to be ready before the elections.

One of our supporters has been doing friendship evangelism with a lady who owns a shop in a mall. The lady is Russian, and her husband is Jewish. We had printed the Russian *Self-Study Bible Course* which we gave her, and we gave her husband *Appointment in Jerusalem* and *Pages from My Life’s Book* in Hebrew.

A seminar for 51 pastors and leaders was recently held in Takeo and Kampot Provinces, a two-hour drive from Phnom Penh. Teaching from Derek's books included *Power in the Name*, *The Power of Proclamation*, and *By Grace Alone*, and each attendee received material. After the Takeo seminar, Director Huy wrote: *"The impact of this seminar was tangible. The pastors received the teachings with an openness that left us humbled. Derek's messages resonated deeply with their emphasis on the liberating power of the Gospel, which is easy to understand, especially in our Khmer language. We witnessed a renewed sense of purpose and clarity as they grasped the transformative potential of these truths. We left knowing that this was just the beginning. The fire of faith ignited within these leaders has the power to illuminate entire communities with the light of the Gospel."*

A very successful outreach was held for 400 young people in Phnom Penh during the Khmer New Year, celebrated in April. Director Huy shared, *"This outreach allowed us to share the joy of the season while offering a message of hope and belonging through faith in Christ. As a result, many accepted Jesus as their Savior and Lord. We are excited to see how God uses these interactions to touch lives and inspire the next generation. Derek's youth proclamation cards and the booklets, The Divine Exchange and Extravagant Love, were distributed. One attendee was Marady. His joy at witnessing students accept Jesus was truly inspiring. He didn't see it as a one-time interaction; he saw growth potential.
