OUTREACH PRAYER DIARY

WWW.DEREKPRINCE.COM

JULY 2025

Derek Prince once said, “There is never a breakthrough in the kingdom of God until the spiritual powers have been brought into subjection by prayer.” (*Praying for the Government*) Please join us in prayer for our mission of making Derek’s life-changing Bible teaching available to those who desperately need it.

JULY 1 **INTERNATIONAL**

- We have seen a quick rise in the number of imposters and unofficial Derek Prince Ministries YouTube channels. Some channels are using AI tools such as voice cloning to create videos by “Derek” with problematic theology. Others are used to solicit money or engage in fraudulent activities. Pray for wisdom for our Digital Infrastructure Team to best handle this situation.

JULY 2 **EGYPT**

- We pray for the conference taking place from July 3rd to 5th in partnership with the Apostolic Church, dedicated to newly married couples. All sessions will be based on three books by Derek Prince: *Marriage Covenant*, *God Is a Matchmaker*, and *Husbands and Fathers*. We pray for a strong divine presence and guidance from the Holy Spirit for all speakers, as well as for transformation by the Holy Spirit for all families attending this conference.
- We thank God for the start of the translation of the first online course in Arabic, *Laying*

the Foundation. We pray for its successful completion and that it will meet the needs of many who have been seeking online courses based on Derek Prince materials. We also pray that the Lord will remove any obstacles to completing this project.

JULY 3 **AUSTRALIA**

- Please pray for the re-establishment of our local prison ministry in Australia, and for God’s favor in getting Derek’s books stocked in prison libraries.
- Additionally, pray for divine connections with other ministries, pastors, and churches to effectively spread Derek’s teachings.

JULY 4 **CANADA**

- We were honored to be part of the Ministers Network of Canada national conference, a gathering of pastors and church staff from across the nation. DPM USA President, Philip Wyns, had the privilege of speaking during this time, where the topic of deliverance was both addressed and embraced.

TESTIMONY – Egypt

We thank God for the partnership between Derek Prince Ministries and the evangelical ministry Souls Salvation Egypt. Through this collaboration, the book *Judging: When? Why? How?* has been translated into Arabic and has already reached 2,000 people.

TESTIMONIES – India

- A one-day women's conference was held in Tiruchirappalli, a major city in the southern Indian state of Tamil Nadu, for 300 pastors' wives and women involved in ministry from churches in and around the region. The gathering served as a powerful platform of encouragement, healing, and spiritual strengthening for these women. Each participant received a set of Derek Prince books to aid them in their spiritual growth and ministry work. As these women returned to their churches, they did so with fresh vision, renewed strength, and an unshakable conviction that God is with them in their calling.
- Directors Elsie and Danny visited northern India in late April to teach and minister to hundreds of pastors and Christian leaders. In one location (a Hindu stronghold), 60 different churches were represented at the meeting. Elsie said: *At the end, during a time of response and prayer, the atmosphere shifted—mighty deliverance began to break out visibly. The Holy Spirit moved powerfully among us. By the end, the cramped little church was filled with joy and freedom. It was worth every challenge we faced to get here.*

- We are praying that, as a result, church leaders across Canada will be envisioned and empowered to become champions of freedom within their own congregations.

JULY 5 CZECH REPUBLIC

- We pray for our summer camp here in the Czech Republic, as well as for the camps led by various pastors in Ukraine, where food supplies are being distributed through Feed The Hungry efforts. We plan to support these efforts with the *Extravagant Love* booklet by Derek Prince. Please pray that the combination of practical aid, the love shown by Christian leaders, and the message from Derek Prince will have an eternal impact on the children and their

souls, especially those suffering from the memories of war.

JULY 6 FRANCE

- Please pray that the Lord will give wisdom on how to reach the French-speaking African nations, as shipping costs are very expensive and local printing solutions are not always readily available.
- Please pray for our team as we seek to make a greater impact on the Body of Christ in the French-speaking world through our YouTube channel, social media, and website.

JULY 7 SOUTH AFRICA

- Namaqualand is being revived spiritually! In Alexander Bay, a Bible Study was started in

a café, using Derek's teachings, and there have been divine healings after applying the Word. More Bible Study groups have newly been established in the area. Pray for guidance and further growth.

JULY 8 KENYA

- Please pray for the outreach held in June, where we had the opportunity to feed and clothe widows. May the love of Jesus demonstrated during that time continue to touch hearts and transform lives.

JULY 9 ROMANIA

- At the end of May, Fanel and Monica, our Romanian directors, in collaboration with the local church, organized a conference called *Victorious*, focusing on deliverance from curses, demonic bondages, and spiritual growth. Pray that the preached Word of God will have an eternal impact on lives. Pray that believers will grow in their personal knowledge of Christ. And pray that, through Derek's teachings, they will be equipped for their God-given calling.

JULY 10 SOUTH AFRICA

- Please pray for the successful voicing of the Zulu and Xhosa DVDs that have been subtitled. Ask for wisdom and protection for the men recording the messages. (Zulu and Xhosa are two of the major indigenous languages spoken in South Africa.)
- Peter Lindop, our Sub-Saharan director, together with Isabel, our South Africa director, hosted a time of sharing with leaders from ministries and radio stations across Africa, including MegaVoice, Ebenezer, Operation Exodus, SAAWE, Impact Radio, and Radio Pulpit. Each guest received a gift bag with *Why Israel?* and *Our Debt to Israel*. Please pray these connections lead to greater collaboration for God's Kingdom across Africa.

- Many in the Western Cape region are struggling with addiction, often as part of a generational curse affecting entire families. Please pray that the newly released Afrikaans edition of the book *Blessing or Curse: You Can Choose* will be a tool to set many free.

JULY 11 TANZANIA

- A troubling situation is unfolding in Tanzania under President Samia Hassan, who is both Muslim and aligned with communist ideology. The Church is facing renewed pressure and persecution, with pastors and citizens detained without cause, internet restrictions, and over 67 reported abductions. Please pray for God's intervention—for peace, protection, and the recovery of the missing. Pray for the Church to stand strong in truth, and for President Hassan and leaders to be moved by God to lead with righteousness and justice.

JULY 12 UKRAINE

- Please pray for our Ukrainian directors, Vlad and his wife Lydia. Pray for their protection and divine wisdom as they work tirelessly to share Derek's teachings through new translations and their YouTube channel, reaching both Ukrainians at home and refugees abroad.
- Join us in praying for committed, Spirit-led co-workers to come alongside this important work. We are in need of translators, editors, social media volunteers, and more.

The first National Day of Prayer and Fasting for Burundi took place on May 10, 2025, following conferences across the country where DPM Burundi promoted Derek's book *Shaping History Through Prayer and Fasting*. In partnership with the Antioch Foundation, pastors and intercessors gathered in ten cities—marking the first time in Burundi's history that united prayer took place nationwide.

Charlotte, North Carolina, with over 200 Hispanic pastors from various denominations. Please pray that the connections made during this time will continue to grow and bear lasting fruit.

JULY 14 CAMBODIA

- DPM Cambodia Director Huy and the team visited the Mondulkiri province, a remote region bordering Vietnam. The focus was on equipping 40 pastors from the Bunong ethnic group, the largest indigenous group in the region. Recognizing their unique needs and limited access to resources, teaching was given from three core DPM books: *The Power of the Sacrifice*, *The Authority and Power of God's Word*, and *Hear God's Voice*. Pray that God speaks to these pastors through these teachings.

- Pray for God's protection and anointing upon Huy and the DPM team as they travel to two different provinces in mid-July and August to hold pastors' seminars. Pray that the Lord prepares the hearts of the pastors to receive the teaching. Pray for wisdom for the team to select the right Derek Prince teaching.

JULY 15 BURUNDI

- Ask the Lord to deepen a spirit of intercession among believers, that churches and leaders across the country would rise up in one accord, seeking His will and covering the nation in prayer.

JULY 16 ERITREA

- Eritrea is located in East Africa, in a region commonly referred to as the Horn of Africa. This outreach would like prayer for Pastor David. He desires to translate Derek's book *By Grace Alone* into Tigrinya. He feels this teaching will bring the truth about what grace is, as many Eritreans have religious backgrounds that are very legalistic.

JULY 17 GERMANY

They have come as an ointment on a wounded spirit for us in the midst of one of the most difficult times in our lives. The Word as shared in your course has restored our hope, nourished and guided us. May God bless you all abundantly! - Elizabeth (South America)
