JULY 2026

Derek Prince once said, “There is never a breakthrough in the Kingdom of God until the spiritual powers have been brought into subjection by prayer.” (*Praying for the Government*) Please join us in prayer for our mission of making Derek’s life-changing Bible teaching available to those who desperately need it.

JULY 1 INTERNATIONAL

We pray for God’s protection and blessing over both of their families, and we pray for a smooth and successful transition for the entire team.

- Please pray for our upcoming outreach in West Bengal this July, where we plan to hold conferences for pastors and leaders in at least four locations. Pray that the Lord will go ahead of us, preparing hearts to receive His Word with openness and hunger.
- May the Holy Spirit move powerfully in every meeting—bringing encouragement, healing, and fresh vision to the leaders. Pray also for unity among pastors and lasting fruit that will strengthen the Church in this region.

JULY 4 FRANCE

- Please pray for Caroline as she manages our social media. We pray that her efforts will reach many people and connect them with our resources, especially young believers who need to be established and grounded in the Word.

JULY 5 GREECE

- Our heart is to equip believers in Greece with Derek’s foundational teaching materials. Please pray for open doors into churches and ministries where these resources will be a blessing and help establish believers firmly in the Word of God.

Please pray for wisdom, favor, and God's guidance throughout this process. Pray that this office would become a strong hub for equipping and reaching Spanish-speaking believers with Derek's teachings.

JULY 8 ANGOLA

They also continue upgrading all Chinese websites to add more diverse features, aiming to improve user experience and enhance security. - Maria Taylor: "It's my absolute pleasure to support the Ministry. Derek's material has helped me understand God's Word beyond measure. I was a wicked person before I met the Lord 2 years ago. Jesus delivered me from horrible demons such as sexual immorality, fornication, drugs, chronic anxiety, depression, alcoholism, swearing, and more. Derek's teachings have greatly supported me with deliverance of demons and reminded me to stand firm in Jesus. I'm not perfect, I still have a long way to go, but I have been set free in so many ways. Thank you so much for all you do as a Ministry."

TESTIMONY – Cambodia

- DPM-Cambodia Director, Huy, and the DPM team recently visited Banteay Meanchey and Oddar Meanchey provinces in northwestern Cambodia, along the Thai border. These areas remain in fragile recovery following the December–January border conflict, during which nearly 150,000 people were displaced, and at least 18 churches were forced from their places of worship. Many Christian families lost homes and land, and some pastors are currently living in refugee camps, yet they continue to minister faithfully among the displaced.

Despite fear and instability, the DPM seminar focused on God’s faithfulness and included strong times of worship, intercession for peace between Cambodia and Thailand, and teaching from Derek’s *Laying the Foundation* series. Small group sessions became powerful moments of spiritual renewal as participants sought to apply God’s authority to their current trials.

AUGUST 14 **CAMBODIA**

- We give thanks that the DPM teaching materials in the Khmer language have been so well received at pastors’ and leaders’ seminars. It is a joy to see local pastors participating with such enthusiasm and gaining a deeper, clearer understanding of God’s Word as they lead their congregations. AUGUST 18 **THAILAND**

- Pray for the Lord to raise up experienced people to help us with social media in Thai.

AUGUST 19 **TÜRKIYE**

would reach a wide and diverse audience, effectively extending their impact across the nation and beyond.

- Ask the Lord to provide clear guidance and wisdom for digital strategy and content creation, so that every message shared is timely, effective, and aligned with His purposes.

AUGUST 23 SOUTH AFRICA

- A ministry friend has been ordering large quantities of books for their staff at a warehouse in Johannesburg, including *What’s So Important About the Cross?*, *Complete Salvation and How to Receive It*, and the Shona translation of *How to Pass from Curse to Blessing*. Pray that these books will bring many people to salvation, healing, and deliverance.

AUGUST 24 FRANCE

- Please pray for Catherine as she mentors the Bible Correspondence Course (BCC) students and encourages them to complete the course. Please also pray that more students will enroll and that current students will faithfully finish their studies.

TESTIMONY – Vietnam

- Pastor “D” and the DPM team, based in Da Nang, are pushing forward to reach as many tribal groups and villages as possible—not only to “reach the unreached” with the Gospel message, but also to “teach the untaught” by equipping believers with Derek’s teaching materials. This teaching is urgently needed so they can shepherd the rapidly growing number of new converts and continue multiplying church plants across the region.

A number of very successful seminars and outreaches have recently been held in different parts of central Vietnam, including a seminar for 50 pastors and representatives from 10 different tribal groups (some attendees also coming from Laos); 7 seminars attended by several hundred people introducing the *Laying the Foundation* series and *What’s So Important About the Cross?*; a Bible camp for 100 young adults; and 4 Gospel outreaches that also included the distribution of clothing, food, and Derek’s books.

TESTIMONY – Armenia

AUGUST 27 CZECH REPUBLIC

- We thank God for all those who have completed the “Get Free” program. As part of their graduation, participants are invited to attend our Holy Spirit Night, where they receive personal prayer for deliverance and are ministered to for the infilling and empowerment of the Holy Spirit. Please pray that this will be a deeply significant and life-changing moment for each participant.

AUGUST 28 SERBIA

- Pray that many churches across Serbia, Bosnia and Herzegovina, and Montenegro will be effectively reached with Derek Prince’s teaching materials. Ask the Lord to open doors for distribution and reception, and pray that these resources will be received with openness and hunger.

- We also pray that the book *Called to Conquer* will be widely used as a practical and spiritual tool, equipping young people to stand firm in faith.

AUGUST 29 ZIMBABWE

- Pray for divine provision to secure the funds needed to purchase two pieces of land in Mola and Siabuwa for the construction of Bible school classrooms.

AUGUST 30 ISRAEL

- Please continue to pray for the nation of Israel and for our ministry partners, Christian Friends of Israel (CFI). Since the recent conflict involving Iran, the team has been extremely busy helping families in areas affected by ballistic missile strikes—including Tel Aviv, Beersheba, Beit Shemesh, Arad, and Dimona. CFI has been assisting with cleanup efforts, repairing roofs, covering broken windows, and helping families safely return to their homes. Please pray for protection, strength, provision, comfort for those affected by the conflict, and peace throughout the region.
