During his travels, he has faced harsh conditions, including extreme cold and strong winds that shook his caravan. Yet despite these challenges, Pastor Hampie testifies that the Lord went before him, leveling the road every step of the way. On one journey, he met four pastors and one elder and shared, "Derek's books were just for them. It was divine."

TESTIMONY – Iran

Our ministry organized a seminar in a neighboring country of Iran. A brother—whom we will call Farshid (name changed)—longed to attend with his family but did not have sufficient funds, so he sold his car in order to purchase plane tickets for his family to attend the seminar. When we learned of the personal sacrifice he was willing to bear simply to receive Derek's teaching and share in Christian fellowship, it deeply touched our hearts and stood in contrast to how spiritual resources are often taken for granted in the free world.

countries entirely surrounded by South Africa—as she faces ongoing health challenges that have slowed her work on the SiSwati *Self-Study Bible Course*. APRIL 28 GEORGIA

- We are grateful that Derek's teachings in Georgian—both video and print—continue to bear fruit. Recently, we have seen renewed interest from Georgia and a growing demand for new translations and updated resources. Please pray for skilled, trustworthy translators and editors who can serve with accuracy and spiritual sensitivity.

APRIL 29 AFGHANISTAN

- Afghanistan remains one of the most closed and dangerous places for the Christian faith, yet we thank God that even in extreme darkness, doors are opening quietly, carefully, and strategically. Please pray for protection over believers, wisdom for discreet discipleship, and practical help—real support, not just words—as well as spiritual comfort for the weary, oppressed, and afraid.
