OUTREACH PRAYER DIARY

WWW.DEREKPRINCE.COM

MAY 2025

Derek Prince once said, “There is never a breakthrough in the kingdom of God until the spiritual powers have been brought into subjection by prayer.” (*Praying for the Government*) Please join us in prayer for our mission of making Derek’s life-changing Bible teaching available to those who desperately need it.

MAY 1 SOUTH AFRICA

- Pray for two inmates in the Zonderwater prison near Pretoria who face life sentences. A pastor requested Derek’s books, including the *Self-Study Bible Course* to bless these two men. Four prisons in Empangeni Kwa Zulu Natal received 150 Zulu *Self-Study Bible Courses* and 100 more in English. Pray that the inmates’ lives will be transformed while studying these books.

MAY 2 UNITED KINGDOM

- Please pray for the development of our new Prison Brochure, which is designed to support prison Chaplains.
- Please pray for the courses offered on our website. We ask for continued guidance and support in this ministry.
- Pray for God’s protection and growth in our prayer and deliverance ministry. We

desire to witness many more lives being transformed and set free.

MAY 3 ALGERIA

- We ask for God’s protection and wisdom for our team and their families as they work bravely with refugees and traumatized orphans during this challenging time of war and humanitarian crisis.

MAY 4 INDIA

- Directors Elsie and Danny are holding pastors’ conferences in four locations in Kerala state during May. Pray for God’s protection as they travel, for God’s anointing upon them as they teach and minister, and that the pastors would leave the conference strengthened in their faith and with a greater understanding of the Word.

TESTIMONY – Prison Outreach South Africa

Years ago, the late David Caine’s prison ministry in Pietermaritzburg got stuck. Nothing was happening, until a lady donated 50 *Self-Study Bible Courses*. Within months, elders were appointed in each cell, with ten men per cell leading spiritual growth. We continue to trust the Lord for revival in the prisons.

TESTIMONY – India

In January, Directors Elsie and Danny held conferences in Tamil Nadu's northern districts, attended by over 400 pastors. A senior pastor from Salem shared his experience, *"I came to this meeting feeling dejected and defeated after having been a pastor for most of the 60 years of my life. I felt I had failed in my family and ministry. But today, as I learned about the keys to our authority in Christ Jesus, I see a new ray of light shining through my darkness. I only wish I had received this understanding much earlier in life."*

MAY 5 AUSTRALIA

- Please pray for guidance and confirmation regarding new local outreach initiatives in Australia.
- For our social media outreach efforts, we are asking God to remove obstacles so we can continue sharing Derek's teachings online.
- Lastly, pray for Peter and Katie, our Indigenous Outreach Coordinators, as they work in North Queensland and seek revival in the Indigenous communities they serve.

MAY 6 FRANCE

- Please pray for the Lord's protection over our small team, as several members have been facing both physical and mental attacks. Pray especially for wisdom, strength, and times of refreshing for each one.
- Pray for our Bible Correspondence Course students who are nearing the completion of their courses. We ask for new students to enroll and for those who have paused their studies to finish strong.

MAY 7 CHINA

- Please pray for a mighty revival in China, especially as many young people grapple with unemployment and an uncertain future. During these challenges, God strengthens believers daily through our Chinese online teachings and they have expressed their anticipation for a coming revival. *"May God continue to perform marvelous works among us, that we may together bear witness to His glory! May God abundantly bless all fellow laborers as we stand united in welcoming a great revival!"* (Sister M).
- Please pray for the China team as they receive encouraging feedback from children about their animation videos. Pray for God's wisdom as they create engaging content for Generation Z.

MAY 8 ZIMBABWE

- Pray for the Bible School to start with enough registrations.

TESTIMONY – China

More house churches in mainland China use our online sermon videos and teaching articles to instruct believers. We recently received the following testimony from one of the house church leaders: *"We just held a special gathering where we taught local believers using two topics from Derek Prince: From Curse to Blessing and God's Remedy for Rejection. All the attendees received great spiritual encouragement and healing from the Lord. Hallelujah!"*

TESTIMONY – Czech Republic

We are grateful for the new team members who have joined us in supporting the Septuagint project. A young man will translate video subtitles, and a young lady will provide proofreading. Their contributions will help advance this project, making Derek's teachings accessible to many. Thank you, Lord, for this provision!

- Additionally, pray for the timely delivery of books to Zambia, that they may reach those eager to learn and grow in their faith.

MAY 9 GERMANY

- We are witnessing a growing interest in spiritual matters among young people in Czechia. Please pray for pastors and churches to welcome seekers and for wisdom to guide newcomers in their discipleship journey, focusing on Jesus and His Word.

MAY 11 BOTSWANA

TESTIMONY – Angola

We have had the privilege of partnering with Operation Mobilization (OM) since 2002. In Angola, OM is committed to building relationships and planting churches among least-reached people groups. They wrote: *'We are so blessed with Derek's teaching. We are putting together a discipleship material, using Derek's teaching, that we go through with the students doing our 1-year course. We love and appreciate you.'*

TESTIMONY – Cambodia

DPM-Cambodia Director Huy and the team held a pastors' seminar in the northern part of Cambodia, bordering Laos, to train and equip local pastors, particularly those ministering to an ethnic minority group. Teaching was given from six of Derek's books.

One of the pastors shared the challenges faced by his ethnic minority group, including persecution and discrimination for their Christian faith. He described how they are often labeled as "straying" from their community's ancestral beliefs, facing accusations and judgment for embracing a different path. However, their faith in Jesus Christ remains steadfast. Derek's book *Will You Intercede?* touched him so much that he committed to be an intercessor for his ethnic group.

MAY 14 CAMBODIA

- Please pray for God's protection and anointing over the team as they minister at two pastors' seminars in mid-May and June. May the pastors deepen their understanding of God's Word and effectively teach their congregations.

MAY 15 KENYA

- Government regulations in East Africa now require church leaders to attain a certain level of spiritual knowledge. In response, many organizations have launched free, short-term Bible school programs lasting just three months. As a result, enrollment in our Derek Prince Bible School program has decreased, as many people prefer a shorter, cost-free option. Please pray that God will bring the right students with a true desire to be approved by God, not just by governmental standards.

MAY 16 BRAZIL

- Please pray for a united group of passionate individuals to support establishing a DPM ministry in Brazil. Pray for divine connections

with local leaders, organizations, and churches to collaborate in effectively spreading God's Word in this country.

MAY 18 JAPAN

MAY 19 CROATIA

- In the last two decades, Derek's teaching has become very popular also among

catholic Charismatic believers. The translation of Derek's biography is in the final phase, so please pray for our editorial team. Pray that this book will inspire many believers to live a life committed to doing God's will.

MAY 21 PHILIPPINES

- We are grateful that Philippine Christian bookstores have agreed to stock and sell Derek's books. Continue to pray for connections with the right people, especially for someone to spearhead the DPM work here.

MAY 22 EGYPT

- Our partner in Algeria and her husband, who is also a pastor, shared with us the suffering and persecution from the Algerian government, as they have closed their church and many other churches. Gatherings are prohibited, and now all gatherings are through Zoom. We pray for protection, for their families, for their possessions, and for the steadfastness of their faith.
- We need prayer for the online study project, as we have started to translate courses from English to Arabic. We pray for the Lord's guidance in this project and that the Lord would use it to lead many into a deeper relationship with Him.

TESTIMONY – South Africa

Franette is a doctor, traveling in the Namaqualand region giving medical care. Simultaneously, her husband Stephanus is establishing relationships at schools and building up the local communities with Bible Studies and courses that help with being set free from addictions. We gave them several Afrikaans books, including the *Self-Study Bible Course*, *Foundational Truths for Christian Living*, and *Blessing or Curse*, which have already borne fruit: a Bible study group has started in Hondeklipbaai, with more planned for Garies and Leliefontein. Stephanus recently reported: *'Through these materials, God has been touching hearts and transforming lives. People who once felt isolated in their faith are now gathering, studying His Word, and growing spiritually.'* In the area, addiction to alcohol and drugs is the number one challenge, so Stephanus is looking to start a course to be freed from addiction, including getting Derek's teaching on *Breaking Generational Curses* to them. The recently printed Afrikaans translation of *Blessing or Curse* couldn't be timelier!
