OUTREACH PRAYER DIARY

WWW.DEREKPRINCE.COM

NOVEMBER 2025

Derek Prince once said, “There is never a breakthrough in the kingdom of God until the spiritual powers have been brought into subjection by prayer.” (*Praying for the Government*) Please join us in prayer for our mission of making Derek’s life-changing Bible teaching available to those who desperately need it.

NOVEMBER 1 **INTERNATIONAL**

- We pray for all the offices this Christmas season as they share the Hope of Christ with those experiencing the weight of loneliness, the pain of loss, the struggle of depression, or the longing for a Savior. May each one be reminded that even in times of suffering or uncertainty, they are never abandoned—for we serve Emmanuel, God with us.

NOVEMBER 2 **UNITED KINGDOM**

- We pray for the Bible study group in Portsmouth, England, on the south coast of Hampshire. They have been using Derek’s teaching on the *Divine Exchange* every week. Pray that people will be set free and healed as they listen to the teaching.
- Please pray for a church in Cambridge as they utilize Derek’s book, *Shaping History Through Prayer and Fasting*, during their November conference. May the teachings inspire a powerful movement of prayer and fasting across the UK, touching many lives.
- Please pray for the expansion and growth of our Prison Ministry. We specifically request a smooth relaunch of the Inside Out Program and a positive response from the Chaplains involved.

NOVEMBER 3 **GREECE**

- Please pray for the successful planting of churches in Greece, guided by the sound teaching of Derek Prince Ministries.

NOVEMBER 4 **INDONESIA**

NOVEMBER 5 **KENYA**

- Pray for the students in our 21 DPM Bible Schools in Kenya and our 9 DPM Bible Schools in Uganda. Ask the Lord to strengthen their faith, that they may remain steadfast and continue to fight the good fight without losing heart.

TESTIMONY – India

Elsie and Danny, Directors of DPM India, recently hosted a transformative youth conference in Chandrapur, Maharashtra, attended by 150 young people, including many children of pastors. Focusing on “*Your Identity in Christ*,” the conference brought clarity and healing to those struggling with their purpose and calling. During the final prayer session, many committed themselves to God, with touching moments of young men weeping and responding to His call.

Elsie and Danny recently ministered at a pastor’s conference in Nagpur, Maharashtra, where over 270 pastors gathered to hear a powerful teaching on *Spiritual Warfare*. This timely message provided clarity, strength, and divine strategy in the face of opposition from anti-Christian forces. Attendees expressed deep gratitude, noting that they gained invaluable insights that empowered them to confront both human and spiritual challenges. One senior pastor who organized the meeting remarked, “*Signs, wonders, and prophecies easily move the hearts of believers, but it takes much more to move the heart of a pastor. This teaching truly has what it takes.*” The event ignited a passionate commitment among the pastors to continue this transformative work in the region.

NOVEMBER 9 RWANDA

- We ask for God’s guidance, especially in light of the challenges posed by the government’s closure of churches. Pray that the Lord of the harvest sends laborers to join us in this work.

NOVEMBER 10 INDIA

- Directors Elsie and Danny have been invited to hold pastors’ seminars in four districts that have not been previously visited, in North Karnataka, as well as in Mysore, South Karnataka. The tentative time period for this outreach is the third week of November, and up to 120 pastors are expected at each location. Pray for God’s anointing upon Elsie and Danny, protection for all attending, and that all pastors come to a deeper understanding of God’s Word through Derek’s teaching.

NOVEMBER 11 JAPAN

- The *Laying the Foundation* series of booklets has now been translated into Japanese and uploaded to the website. Pray that many Japanese believers will read this series and that it will help lay a solid biblical foundation in their lives.

NOVEMBER 12 MADAGASCAR

- Please continue to pray for our Directors, Dries and Valerie. Pray especially for Valerie’s health, as she also carries the demanding work of translation, which can often be very stressful.
- The monsoon season usually begins in November. Please pray for travel mercies and protection over our boat ministry during this time.

TESTIMONY – United States

Thank you for your prayers. DPM USA Director Philip Wyns and his wife, Lisa, traveled to Lima, Peru. They both taught many sessions, using Derek's material, to crowds of over 6,000 people. During their time there, they connected with many pastors and leaders who are faithfully serving the Kingdom of God. Thousands of people came to Christ, experienced deliverance, and received healing. We rejoice in all that the Lord is doing across the globe.

NOVEMBER 13 **FRANCE**

- Please pray that the Lord will open doors into French-speaking Africa. At this time, we still lack clear direction on how to provide Derek's books practically, and we are seeking His guidance.

NOVEMBER 14 **KENYA | DPM FARM**

- The farm is expanding into beekeeping. Pray for wisdom as they establish the beehives and manage the colonies. Also, pray for God's blessing on the sale of the honey.
- The farm is seeking additional skilled workers and trustworthy craftsmen. Pray that the Lord would provide the right people—faithful, capable, and dependable—to come alongside and strengthen the work.

NOVEMBER 15 **UNITED STATES**

- We are excited about the opportunities we have to support churches, schools, and conferences nationwide through Derek's discipleship material. Please continue to pray for wisdom, the right connections, and the protection of our team as they travel.

- We can't keep Derek Prince Ministries books on the shelves of the prisons we serve, as men are eagerly reading them and sharing how these resources are enriching their prayer lives and deepening their understanding of spiritual warfare. Please continue to pray for Josh and our Prison Ministry, specifically for safety as our teams go in and out of the prisons. Pray for open doors with new prisons so that DPM resources can bring freedom, hope, and transformation to even more lives.

NOVEMBER 16 **ITALY**

NOVEMBER 17 **CAMBODIA**

- Pray for two upcoming pastor seminars hosted by the DPM Cambodia team in Kandal Province (southeastern Cambodia) in mid-November and the second in Takéo Province (southern Cambodia) in mid-December. Approximately 50 pastors are expected to attend each one. Pray that God will minister to each person attending, including the DPM team, so that they have a clearer vision of His purpose for DPM.

NOVEMBER 18 **CHINA**

- Please pray for the production of a new audiobook series, beginning with *Through the Psalms* and *God Is a Matchmaker*. Ask the Lord to use this audio format of Derek's teaching to impact both new listeners and those already familiar with his work.
- As government pressure on the church in China intensifies, leaders and teachers must have access to reliable Bible materials. Please pray for the Lord's continued protection over all our websites serving mainland China.

TESTIMONY – Cambodia

We thank God for the powerful impact of DPM in Koh Kong, Cambodia, where 45 pastors—some traveling from remote islands and villages—gathered for a life-changing seminar. Through key DPM books, they were equipped to continue their ministry with renewed faith and purpose. One pastor, Sarah, shared how *Faith and Works* transformed her understanding of salvation: *“I tried hard to be righteous ... but my efforts only led to self-condemnation and doubt. Now I know we are saved by grace alone through faith in Jesus Christ. I am genuinely grateful to God for the many lessons we learned today through Derek’s books, and I am committed to sharing them with others.”* Praise God that this truth has brought her freedom and a passion to teach others. We celebrate God’s provision, the unity among His people, and the deep hunger for His truth growing across Koh Kong.

In July, Huy and the DPM team visited Preah Vihear and Oddar Meanchey provinces, where Christian communities have been deeply affected by border clashes between Cambodia and Thailand. The team visited 18 local churches, delivering food supplies and spiritual support to 320 displaced families, many of whom have loved ones serving in the armed forces. Each family received a copy of Derek’s book, *You Matter to God*, affirming their value and God’s enduring love during times of crisis. To further strengthen local churches, 15 sets of Derek’s books were donated to the Provincial Pastors’ Committee, including *Spiritual Warfare*, *Applying the Blood*, *What’s So Important About the Cross?*, and *You Matter to God*.

NOVEMBER 19 **NIGERIA**

- Northern Nigerian Christians continue to suffer from banditry and the kidnapping of believers in their villages.
