

Kutonga kunotanga palmba yaMwari

Tsamba Yokudzidzisa Na Derek Prince

Ndiri ongororo iyi chete kune mamiriro emuUnited States. Zvakawanda zvezvandinotaura, zvisinei, zvinoshanda kune mamwe marudzi vadyi venhaka yeJudhio-Christian nhaka uye kuchechi pasi rose. Mwari ngaabatsire mumwe nemumwe wedu kugamuchira mutoro wedu pachedu!

SevaKristu vekuAmerica, tinosangana nechinhu chinorwadza, chisingarambiki: nyika yedu yapinda mukutongwa naMwari. Nokuda kweizvi kune zvikonzero zvakawanda, asi zvinogona kupfupikiswa mukutaura kumwe kwakapfava: Takaita chivi icho Esau akarambwa nokuda kwacho—takazvidza udangwe hwedu (VaHebheru 12:15-17).

Mwari anotitonga maererano nechiyero chechiedza chatakagamuchira. Jesu akaudza vaJudha vomuzuva Rake kuti rutongeso rwavo rwaizova rwakakomba zvikuru kupfuura rweSodhoma neGomora, nokuti vakanga vagamuchira chizaruro chikuru zvikuru chezvokwadi (Mateo 11:20-24).

Izvi zvinoshandawo kuAmerica muzana rino. Hakuna imwe nyika yakawana Shoko raMwari rakafanana nerakapiwa vanhu veAmerica. Kuburikidza netsika nemagariro, kuburikidza nemakereke nevavhangeri, neredhiyo neterevhizheni, uye kuburikidza neshoko rakadhindwa, America yakakomborerwa kupfuura dzimwe nyika dzose neruzivo rwechokwadi chaMwari. Mutongo wedu pakuuramba uchange wakaomawo saizvozvo. VaKristu vazhinji havazivi kuti kutonga kwaMwari hakutangire vanhu venyika, asi navanhu vaMwari. Petro akaudza vaKristu vomuzuva rake kuti:

> “Nokuti nguva yasvika yokuti kutonga kutange paimba yaMwari uye kana kukatanga nesu, kuguma kwavasingateereri evhangeri yaMwari kuchagoveiko? (1 Petro 4:17)

Mazwi aya anoshanda zvakafanana kukereke iri muAmerica nhasi. Pazvivi zvese zvinogona kupomerwa kukereke yemazuva ano, zvakakwana kuti titarise pane zviviri: kunyanya kuda pfuma uye kubvumirana. Muna Ruka 17:26-30 Jesu akafanotaura kuti nguva asati adzoka yaizova semazuva aNoa naRoti. Akataura zvakananga zvinhu

zvisere zvaiita mazuva iwayo: kudya, kunwa, kuroora, kuroora, kutenga, kutengesa, kuvaka, kudyara. Zvakadaro hapana chakanyanya kutadza mune chero chezviitiko izvi. Saka, dambudziko raiva rei?

Dambudziko raive rekunyanya kuda zvinhu. Vanhu vemazuva iwayo vakanga vanyura muzvinhu izvi zvokudisa zvenyika zvokuti vakanga vasingazivi rutongeso rwaizouya rwaMwari pamararamiro avo enyama. Pakasvika kutongwa, vakanga vasina kugadzirira zvachose. Zvimwe chetezvo ndezvechokwadi nhasi kuvazhinji vanozviti vaKristu muAmerica. Kana kutonga kwaMwari kwakangoerekana kwaunza kudzoka kwaKristu, kunenge kusina kugadzirira zvachose.

Sekuda pfuma, chitadzo chekubvumirana kazhinji hachionekwe. Anenge makore maviri apfuura, ndichinamata, ndakava nemufananidzo mundangariro wemukati mechechiwo zvayo chivakwa chine mitsetse yezvigaro, chikuva, purupiti, piyano zvichingodaro. Asi chivako chose chainge chakazara nemhute. Mamiriro ezvinhu ezvinhu aigona kuonekwa, asi hapana chainyatsotsanangurwa. Ndichiri kunetseka kuti mhute yacho yaimiririra chii, Mwari akandipa shoko rimwe rakajeka: kubvumirana.

Muchechi yemazuva ano, chokwadi chikuru chetsika nedzidziso, chinodudzwa zvakajeka muTestamente Itsva, chave chisina kujeka uye chisisashande. Muna 1 VaKorinte 6:9-10 Pauro akanyora kuti:

> “Musanyengerwa. Zvifeve, kana vanonamata zvidhori, kana mhombwe, kana ngochani, kana varume vanorara nevarume, kana mbavha, kana vanokara, kana zvidhakwa, kana vanotuka, kana makororo havazogari nhaka youmambo hwaMwari.”

Asi kereke nhasi izere nevanhu vanoita zvitadzo izvi, asi vanoramba vasina hanya zvachose. Kutaura idi, ivo vanowanzoganza pamusoro pezvivi zvakadaro.

Mumwe wechechi akanga akarara muchipatara, achifa neAIDS, yaakanga abatwa neungochani. Akabva agamuchira Kristu akapiwa Testamente Itsva. Pashure pokunge arava neimwe nzira muTestamende Itsva, akatumira shoko rokukurumidzira kumunhu akanga amutungamirira kuna Kristu: “Uyai mundinyengeterere. Ndinoda kununurwa. Handina kumboziva kuti pakanga pane chakaipa pamararamiro angu.”

Anenge makore gumi apfuura, panguva yeKisimusi, vashandi vedu vakanga vavimbisa Ruth neni kuti tiratidze paterevhizheni mbiri dzePTL. Sezvo tisingaoni terevhizheni, takanga tisingazivi zvokutarisira. Ndaifanira kunge ndiri "main speaker." Kubva muawa yekutanga, ndakapihwa maminitsi gumi, uye kubva muawa yechipiri, maminitsi makumi maviri. Nguva zhinji yakapihwa kukumbira mari nekutengesa zvidhori zvaTammy. Sezvandinoyeuka, ini naRute ndisu chete takataura nezvaJesu.

Munguva diki diki pakazobuda pachena mascandal aya ave mukurumbira wakashata. Asi kwandiri pachangu chinhu chainyanya kushamisa kwakanga kusiri kukanganisa kupi nokupi kwevatano kana kuti kwemari, kwairwadza sezvakwakanga kwakaita. Chakandivhundutsa ipapo, uye chichiri kundikatyamadza nanhasi, kuziva kuti mamirioni evaAmerica aigara achisangana nemufananidzo wenhema wechiKristu, icho chakanga chisina nzvimbo yemuchinjikwa, nezvachinoda kuti munhu azvininipise, ave nehutsvene uye nokuda kwechitendero. upenyu hwechibairo. Zvinotyisa sei kuziva kuti vanhu vakanyengerwa nemharidzo yakadaro vangasambonzwa chokwadi chaicho cheevhangeri!

Nyaya yePTL yave nhoroondo, asi yatisiya nemubvunzo watinofanira kupindura: yaingove chiitiko chega, kana kuti chaive chiratidzo chechirwere chinobata Muviri waKristu muAmerica yose?

Asi mukati mekereke muchine vakasara vevateveri vaJesu vakaperera, vakazvipira. Kana tiri pakati pechiverengero ichocho, Mwari anoda kuti tiite sei kunhamo dzazvino uno?

Mhinduro imwe yakajeka inopiwa muna 2 Makoronike 7:14:

> “Kana vanhu vangu vanodanwa nezita rangu vakazvininipisa, vakanyengetera nokutsvaka chiso changu, nokutendeuka panzira dzavo dzakaipa, ndichanzwa ndiri kudenga, ndichavakanganwira zvivi zvavo, nokuporesa nyika yavo.

Mutsara wokuti, “Vanhu vangu vanodaidzwa nezita rangu” unoshanda kumaKristu ese anotora zita raKristu paari.

Kwemakore angangoita makumi matatu ndanga ndichidzidzisa pamusoro peGwaro iri, asi nguva pfupi yadarika ndakasangana nechiitiko chinokatyamadza! Vanhu vaMwari muzuva redu havana kutongozadzika mugariro wokutanga. Hatina kumbozvininipisa zvechokwadi. Kudada kwedu-- zvese zvechitendero nemarudzi--kunoramba

sechipingamupinyi chinodzosera shure mhinduro kuminamato yedu kwatiri isu nerudzi rwedu.

Kubudikidza nekubata kwakaomarara kwaMwari muhupenyu hwangu, ndakadzidza nzira inoshanda kwazvo yekuti tizvininipise. Zviri nyore kwazvo, ndezvekureurura zvivi zvedu. Kana tikagara tichireurura zvivi zvedu kuna Mwari nguva nenguva uye nomwoyo wose, hazvibviri kuti tiswedere kwaari nemafungiro ekuzvikudza. Pamusoro pazvo, ndakaona kuti Mwari vakangozvipira kuti aregerere zvivi zvatinoreurura.

> “Kana tichireurura zvivi zvedu, iye akatendeka uye akarurama kuti atikanganwire zvivi zvedu nokutinatsa pakusarurama kwose” (1 Johani 1:9)

Zvivi zvisina kureururwa zvitadzo zvisina kuregererwa. Nokudaro mhinganidzo yorudado inovaka mhinganidzo yechipiri yechivi chisingaregererwi.

Bhaibheri rinotikurudzira kuti tireurure zvitadzo zvedu kwete kuna Mwari chete, asiwo kune mumwe nemumwe.

> “Reururiranai zvivi zvenyu, munyengetererane, kuti muporeswe” (Jakobho 5:16)

Kureurura zvivi zvedu kuna Mwari kunobata nekuzvikudza kwakatwasuka; kureurura kune mumwe kune mumwe kunobata nekudada kwakatwasuka. Hatingambokwanisi kuramba tichidada nemunhu watinenge tichangobva kureurura zvivi zvedu.

Izvi zvinonyanya kushanda kuhukama pakati pevarume nevakadzi. Avo vanogara vachireurura zvitadzo zvavo kune mumwe nomumwe havachengetwi nemuganhu wekuzvikudza.

Uyezve, kureurura chitadzo chinhu chakakosha pakureverera kunoshanda. Dhanieri akanga ari mumwe wavanhu vakarurama zvikurusa vomuBhaibheri, asi apo iye akatanga kundoreverera vanhu vake valsraeri, akatanga nokubvuma mugove wake amene muchivi chavo (Dhan. 9:3-13).

Ndinotenda kuti Mwari akatimirira isu sevaKristu vekuAmerica kuti tizvininipise pamberi pake uye tichireurura zvivi zvedu. Kana tapedza kudaro, ndipo patinozoenderera mberi tichitsvaga kuporeswa kwenyika yedu. Asi ndinofanira kuwedzera izwi renyevero. Usatange kunyura mune morbid introspection! Mweya Mutsvene “munwe waMwari” (Mat. 12:28; Ruka 11:20). Kumbira Mwari kuti vaise munwe wavo pazvivi zvaunofanira kureurura. Achazviita noururami husina kukanganisa, zvichida achibudisa pachena zvivi zvausina kumboziva!
