NOVEMBER 2026

Derek Prince once said, "There is never a breakthrough in the Kingdom of God until the spiritual powers have been brought into subjection by prayer." *(Praying for the Government)* Please join us in prayer for our mission of making Derek's life-changing Bible teaching available to those who desperately need it.

NOVEMBER 1 INTERNATIONAL

- As Christmas approaches, please pray for all Derek Prince Ministries offices as they serve their countries and local communities during this special season. Derek described hope as "a serene, confident expectation of good." For many, the holidays can be a difficult time marked by loneliness, grief, or the absence of loved ones. Pray that God will open doors for our offices to reach those who need encouragement and that, through Derek's Bible teaching and the work of our teams around the world, many will discover the true hope of Christmas—Jesus Christ.

TESTIMONIES – MADAGASCAR

- Bertha, Northern Madagascar: *"I am not a big fan of religion because Christianity is taboo to us, but we really live by our traditions. But when I heard Derek's radio show, I became interested in it, and I followed it so consistently that my mind and heart changed; I threw away my idols, committed myself to Jesus, and was baptized. I'm going through a lot of persecution now, but it doesn't change my faith. I thank Derek Prince Ministries, and thank you for caring. Blessed by the Lord."*
- Mama Louise, Morondava: *"I was sick for more than 10 years, and the exact illness was not clearly known, but I was suffering and fainting frequently, and I was treated by many doctors and witch doctors but could not recover. And lately I have become very idolatrous and have become a worshipper of idols; the familiar spirit controls my life. I also became addicted to alcohol and tobacco because that's what the familiar spirit wants me to do. I really suffered, but I thank God that he sent a clear message, opening my mind and freeing me as I hear Derek Prince's teaching on the Radio. ... I took Jesus, and I am healed now, and I burn all my idols. I now serve Jesus in the Rhema Church. Thank you, Derek Prince Ministry. I wish you continued the great work you are doing, glory be to God alone. Blessings."*
