OUTREACH PRAYER DIARY

WWW.DEREKPRINCE.COM

SEPTEMBER 2024

Derek Prince once said: “If we had complete and unreserved faith in three aspects of God’s nature – His goodness, His wisdom, and His power – then we would never disobey God.” This faith would also stir our prayers! Please join us in prayer for our mission of making Derek’s life-changing Bible teaching available to those who desperately need it. Thank you for supporting our outreach.

OUTREACH REPORTS – India

During July, pastors' conferences were held in seven cities in south Karnataka, two of which were new places for the team. In Bangalore, 150 pastors came, with some traveling 300 kilometers. After one seminar, DPM India director, Elsie shared:

"We last visited Belagavi nine years ago, when 25 pastors came. Now, more than 200 crammed into the same hall. They brought their next-level leaders, mostly women, who came from tribal groups—shepherd tribes, gypsy tribes, the high-class Lingayat community and many others. All were saved from a non-Christian background and now each one nurtures 15 to 20 believers. For many, this was the only seminar where they were not shunned but accepted and taught. At the end, the organizing pastor stood up with tears in his eyes and said this balanced doctrine was what they needed for a breakthrough in their regions. We praise God for the immense results, the hunger, and the open doors in several new districts."

Elsie received many testimonies, including this one:

"I traveled 220 km to be at today's seminar after almost deciding not to attend. Three years ago, I lost my husband due to witchcraft against us. He built us a house and wanted to run a church on the upper floor. But there was much opposition and, as a result, he lost his life. I was in a dilemma. Keep the house or sell it? Run the ministry or give up? Through the teaching today, God answered every question in my heart. He showed me that no matter what sorcery or witchcraft is being done against me, I have authority over the works of the devil. I have been so encouraged that I will now go out and help those who are bound like me to be set free from the bondages of the enemy! Today, I have learned the truth, and the truth has set me free!! I am going back empowered and encouraged to build the ministry that I was considering stopping." —Pastor Deborah
