OUTREACH PRAYER DIARY

WWW.DEREKPRINCE.COM

SEPTEMBER 2025

Derek Prince once said, “There is never a breakthrough in the Kingdom of God until the spiritual powers have been brought into subjection by prayer.” (*Praying for the Government*) Please join us in prayer for our mission of making Derek’s life-changing Bible teaching available to those who desperately need it.

SEPTEMBER 1 **INTERNATIONAL**

- Pray for our efforts to unite our online presence on YouTube, so that people are not confused about authentic Derek Prince teaching. Pray for digital imposters to be exposed and, more importantly, to come to know the Lord.

SEPTEMBER 2 **HISPANIC OUTREACH**

- DPM U.S. Director, Philip Wynn, and his wife, Lisa, will travel to Lima, Peru, on September 3 to speak at a conference. Please pray that this visit brings spiritual freedom and a hunger for a lasting Kingdom legacy among attendees. Ask the Lord to open new doors for DPM throughout Peru and Latin America, to bless every detail of the trip logistically, and to spark meaningful connections with pastors and leaders that lead to greater discipleship and revival.

SEPTEMBER 3 **VIETNAM**

- Please pray for God’s protection and anointing upon Pastor “D” and his team as they hold two outreach events for 70 young adults from September 3 to 6. Teaching will be drawn from Derek’s book *Father God*. Pray that many will attend these gatherings and be encouraged and strengthened in their walk with the Lord.

SEPTEMBER 4 **CHINA**

- In August, we distributed nearly 1,500 USB drives and 500 audio devices loaded with Derek’s teachings. Please pray that these

resources will have a profound impact on the lives of hungry believers, especially among less educated, rural communities, serving as powerful tools to help them better understand the Word of God.

SEPTEMBER 5 **FRANCE**

- Pray for those newly baptized in the Catholic Church in France. May they encounter Jesus personally and connect with DPM France to grow as faithful disciples.
- Though it has been many generations since France experienced a widespread move of God, we are believing for revival. May the Lord, who is full of mercy and justice, pour out His Spirit afresh and draw hearts back to Himself across every region of our land.

SEPTEMBER 6 **AUSTRALIA**

- Please pray for Divine appointments for new outreach opportunities in Australia, and in connecting with hospital & prison chaplains, to distribute Derek’s books. Pray for new connections with local pastors and Churches to support discipleship, and for confirmation and God’s guidance as we consider launching new local outreach initiatives.
- Please pray for our social media outreach efforts, for Holy Spirit to guide us in the right areas to share more of Derek’s teachings online.

TESTIMONY – China

- The China team expresses gratitude to the Lord for His assistance in two significant areas. A new online Flipbook platform is now fully accessible to believers in mainland China. This site enables them to read eBooks containing Derek's teachings in Chinese directly on their mobile devices, without any technical or geographical barriers.
- Total visits to the newly launched video platform in mainland China have now exceeded 66,000 views. Praise the Lord that users are still able to access the site directly, without needing a VPN, a tool now strictly banned in China.

SEPTEMBER 7 UNITED KINGDOM

- Please pray for a supporter in the UK who is using Derek Prince's teachings from *The Power of Proclamation* to minister to their congregation. They have divided the material into sessions and believe it will have a lasting impact. Pray that each session will be anointed, well-received, and that the Word sown will bear fruit, thirty, sixty, and one hundredfold, in the lives of all who listen.
- Praise God for YWAM's short-term summer missions for young people. In August, they utilized Derek's book *Shaping History Through Prayer and Fasting* as part of their training course before sending teams abroad. Please pray that the book will leave a lasting impact on these young people and draw the younger generation closer to God.

- Please keep the DPM deliverance ministry in prayer. We continue to see God move powerfully in this area, bringing healing and freedom to many. As this part of the ministry grows, we would greatly value your prayers for wisdom, protection, and lasting transformation in the lives we serve.

SEPTEMBER 8 GERMANY

- Pray that God would continue to allow Germany to be a major supporter of the outreaches worldwide. Pray that God will open the floodgates of heaven and touch the hearts of the German people, so that we might, together, generously bless other DPM offices in countries that are less fortunate and in need of financial support.

TESTIMONY – Ukraine

- We praise the Lord for the unity and support within our DPM–Eastern Europe family. We are deeply grateful for our faithful prayer and financial supporters, and for God’s continued protection over our DPM family, currently spread across five countries: Russia, Poland, Germany, the United States, and Ukraine.

SEPTEMBER 9 UKRAINE

- Please pray for the successful preparation and release of the Ukrainian edition of *Shaping History Through Prayer and Fasting* this autumn. The Russian version, published in 2016, has been widely used to support national intercession. A Ukrainian edition is now necessary to reach a broader audience more effectively.
- We thank God for our partnership with *Intercessors for Ukraine*, whose ministry has reached millions and mobilized over 100,000 dedicated intercessors nationwide. Their consistent use of Derek Prince’s teachings and resources has played a vital role in strengthening prayer throughout Ukraine. We pray that this impact will continue and increase in the days ahead.

SEPTEMBER 10 CANADA

- Please pray for the country of Canada as our government engages in significant negotiations with the United States. We are asking the Lord for wisdom and discernment for our national leaders, and we stand against fear and confusion in the hearts of the Canadian people. May God’s peace and purposes prevail in every conversation and decision.

SEPTEMBER 11 CAMBODIA

- Please pray for the DPM Cambodia team’s good health, God’s protection, and His anointing. They will be teaching and ministering at a pastor’s seminar in

mid-September in Svay Rieng province in southeast Cambodia, near the border of Vietnam. They will be using Derek’s books to equip the pastors and strengthen them in the Word. Pray that the Lord will bring the right pastors to attend, those with hungry hearts who are eager to learn and grow in His Word.

SEPTEMBER 12 UNITED STATES

- Please pray for our prison ministry. Pray for innovative ways to connect inmates with Derek’s solid Bible teaching. Also, pray for Josh Holliday, the prison outreach coordinator.

SEPTEMBER 13 NEW ZEALAND

- Please pray for God’s guidance as we seek to expand DPM’s ministry across New Zealand. We aim to inspire and equip many more individuals through Derek’s transformative teachings.

SEPTEMBER 14 SLOVAKIA

- Please pray for the evangelistic activities and youth camps that took place this summer in Slovakia. Pray that the message of Jesus Christ would deeply touch many hearts and lead individuals to true salvation.
- Lift up our translators and proofreaders, asking for wisdom, protection, and guidance as they work on translating video teachings into Slovak for our YouTube channel.

SEPTEMBER 15 CZECH REPUBLIC

- In the coming weeks, we plan to restart the

Czech DPM Facebook page. Please pray that this platform will once again reach people who are hungry for truth and seeking sound Bible teaching.

- With the upcoming parliamentary elections in the Czech Republic, please pray for the new government.

SEPTEMBER 16 **NIGERIA**

- Please continue to pray for the successful completion of our registration, as this government paperwork is essential for DPM Nigeria to operate legally and effectively. Pray that God will grant us favor and speed in finalizing the process.

SEPTEMBER 17 **ISRAEL**

- Around 15,000 Israelis have been displaced following the 12-day war with Iran and the impact of Iranian ballistic missiles. Christian Friends of Israel (CFI), DPM Israel's leading distribution partner, is working hard to

support those affected. They are visiting families, praying with them, and providing both emotional and practical support. CFI has been helping people from Bat Yam, Beersheva, and Holon who lost everything and are now living in hotels. Please pray for the CFI volunteers and for the families who have been displaced.

- Residents of northern Israel were evacuated in October 2023 as the war with Hezbollah intensified. Many are now trying to return home, but the process is complicated and challenging. Their homes were damaged not only by rockets and missiles but also by wildlife, rats, and other conditions caused by months of abandonment. CFI has made many trips to various communities in the north to assist as they return and begin rebuilding their lives. Please pray for these families as they rebuild, and for CFI to have the funds, strength, and ability to support them effectively.

TESTIMONY – Israel

A New Light in Ramallah. A testimony was recently shared with Christian Friends of Israel about a woman who, after reading Derek Prince's book *Blessing or Curse: You Can Choose*, experienced a life-changing encounter with the truth. Once a Muslim, she is now a joyful follower of Jesus.

SEPTEMBER 18 **SRI LANKA**

- In August, DPM India Directors, Elsie and Danny, returned to Sri Lanka, where God opened doors into six previously unreached cities. They held seminars for over 120 pastors and leaders, as well as a three-day youth seminar. Please pray for lasting fruit from the seeds sown, that pastors and young leaders will use DPM resources to strengthen their congregations, for spiritual protection and boldness in Buddhist strongholds, and for strong biblical understanding and doctrinal foundations to be established.

SEPTEMBER 19 **EGYPT**

- Please pray for the successful printing and distribution of Derek Prince's books in Morocco and the surrounding nations. In August, DPM Egypt's Director, Albert, traveled to Morocco to assist in facilitating this effort. Pray for open doors, divine connections, and lasting fruit as the truth of God's Word goes forth in this region.
- Please pray for our partnership with the Evangelical Church in Kuwait as we seek divine guidance from the Holy Spirit. We are preparing materials for their discipleship groups, including questions, audio summaries, and definitions for each of the 52 chapters of *Foundational Truths for Christian Living*. Your prayers for wisdom and clarity in this endeavor are greatly appreciated.

SEPTEMBER 20 **KENYA**

- We give thanks for the recent opportunity to encourage and equip village women to embrace ministry as a special calling from God. Pray that many women will rise up with boldness and confidence to serve in their God-given roles. Ask the Lord to continue breaking down barriers, as many churches in Africa still discourage women from stepping into ministry—making this work all the more vital.

SEPTEMBER 21 **NETHERLANDS**

- We started sharing Derek's daily devotionals in Dutch on the YouVersion Bible app. Pray with us that many new people, especially youth, will discover them.

SEPTEMBER 22 **KENYA**

- Please pray for the ongoing translation work into Malagasy, the language of the native people of Madagascar, and for many lives to be touched by the radio broadcasts.
- Pray for the health and protection of the Directors, Dries and Valérie. Dries reported that the authorities have now cleared his boat. He will soon begin making trips up the coast with his team to reach remote villages.

SEPTEMBER 25 **ANGOLA**

- Operation Mobilization is incorporating Derek's teachings, translated into Portuguese, into their Bible school curriculum this year. They are incredibly grateful for the rich spiritual foundation his material provides. Additional Portuguese teachings are being sent by truck. Please pray for the success and smooth coordination of these arrangements.

TESTIMONY – Armenia

- Recently, we met a young woman whose husband, the owner of a bookstore, had previously refused to sell Derek Prince's books in his shop. One day, she randomly came across Derek's teachings on YouTube, surrendered her life to Christ, and is now praying for her husband's salvation.

Another woman, Anna, who came to faith and was disciplined through Derek's teachings, is now one of our ministry partners.

SEPTEMBER 26 ARMENIA

- Please pray for the success of our upcoming translation projects. We are preparing to translate Derek Prince's video teaching manual and plan to launch the Derek Prince Video School in Yerevan, Armenia's capital.

- Please continue to pray fervently for our team in Russia. Pray for God's wisdom and empowerment for effective ministry.
- Also, pray that we can grow in flexibility and impact through online platforms, reaching a wider audience with Derek's teachings.

SEPTEMBER 28 NAMIBIA

- Namibia, a country located just north of South Africa, is seeking to expand the number of radio stations broadcasting Derek's messages. As this region is sparsely populated, many people rely on radio as their primary source of education and encouragement. Please pray for open doors, favorable partnerships, and greater spiritual impact through these broadcasts.

SEPTEMBER 29 SOUTH AFRICA

- The voicing of six Xhosa and six Zulu DVDs has just been completed as part of the online Video Bible School. Please pray that those who hear these teachings in their own language will experience lasting transformation and be inspired to share what they have learned with others.
- Please pray for Pastor Eugene Reddier as he distributes *Our Debt to Israel* and *Why Israel?* to pastors and leaders in KwaZulu-Natal, a province on the eastern coast of South Africa. Many of these leaders are already strong supporters of Israel and regularly pray for the nation.

SEPTEMBER 30 ESWATINI

- Eswatini, a small country located near South Africa, is currently translating the *Self-Study Bible Course* into SiSwati. Please pray for the success of this translation effort and for Dr. Elizabeth Hynd, who is overseeing the project faithfully.
- Please pray for an open door to broadcast Derek's teaching on the radio in Eswatini.

OCTOBER 2025

Daniel himself chose the battleground of prayer. When confronted with opposition, he persisted. Sometimes opposition from Satan is one of the best indications that we are praying in the will of God. So what do we have to do? Pray him out of the way! (Derek Prince, War in Heaven)

OCTOBER 1 **INDIA**

Pastors' conferences are being held in October in Maharashtra, India's second-most populous state. Please pray:

- For safety and strength for Directors Elsie and Danny as they travel to at least four different cities around Nagpur, especially given the rugged terrain and basic road infrastructure.
- That pastors from the rural areas surrounding these cities will be able to attend the conferences in large numbers.
- That pastors with no formal Biblical training will receive the resources and teaching as a significant first step in their growth and development.
- The conferences will be led by the Holy Spirit and bring real encouragement, clarity, and vision to the pastors attending.

OCTOBER 2 **CHINA**

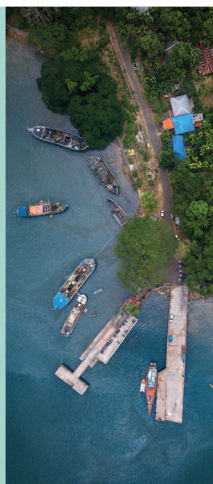

- As the China team continues sharing Derek's material online across the nation, please pray for the Lord's ongoing wisdom and inspiration as they design and produce new video content daily. This includes content created explicitly for Cantonese-speaking users, both in mainland China and among overseas Chinese, as well as a wide range of Mandarin resources.
- Pray also for the digital safety of our users in mainland China, so that they will have uninterrupted access to God's Word.

OCTOBER 3 **TAJIKISTAN**

- Please pray for the underground churches in Tajikistan and Afghanistan. They are in desperate need of Derek's discipleship teachings. Pray that God will open new doors and opportunities to serve the churches here.

TESTIMONY – India

- Elsie and Danny made a return trip to the Andaman Islands in June to conduct a series of meetings. A pastors' seminar was held on the theme of spiritual authority, based on Derek's message, *The Rod of God*, bringing much-needed breakthrough. Pastors testified to a new understanding, especially the distinction between power and authority, and joined in powerful intercession for their communities. Following this, two three-day Youth Training Programs drew around 100 youth. They engaged deeply with teachings on identity, calling, and leadership. Many encountered God powerfully, made fresh commitments, and shared moving testimonies. One youth summed it up: "I now know who I am in Christ and want to serve Him for life." God moved mightily—equipping both pastors and youth for lasting impact in the Andaman Islands, where a great revival is stirring!

TESTIMONY – Ukraine

We thank God that, despite the ongoing hostilities and the regular drone and missile attacks on our town and the area where our office and warehouse are located, we can continue our ministry in Ukraine. Thank you for your prayers and support.

OCTOBER 9 **CAMBODIA**

- Pray for the DPM-Cambodia team’s good health, God’s protection, and anointing as they teach and minister at a pastors’ seminar in mid-October in Tbong Khmum province, on the central lowlands of the Mekong River. A key focus for this trip will be discussing future partnerships with local churches to reach more young people in the area with the Gospel. Pray for the Holy Spirit to lead the small group discussions, bringing clarity, revelation, and unity as they delve into God’s Word and plan future outreach.

TESTIMONY – Turkey

- Pastor Tengiz (name changed) testified that Derek's book *Blessing or Curse* has been a great help to his congregation. He said, "The book has had a revolutionary impact on its readers." - Pray for new enrollments for our DPM Zimbabwe Bible School.

OCTOBER 13 **UNITED STATES**

TESTIMONY – Online Courses

- Mr "V" joined our online course, *Laying the Foundation*. He shared that he had been an eager "fan" of Derek Prince for many years, which he first "inherited" from his Mother, "then followed by my own blessed experience over many years of rich "nourishment" as well as the privilege of hearing him teach in person several times. Yet not to put any man on a pedestal, but to simply acknowledge how the Lord has used him, I've always found brother Prince's teachings a beautifully balanced Sword of the Spirit, a well-balanced Sword of reliance both on the Truth of God's Word and yielding to Jesus' gift of the Holy Spirit. In his teachings, I've found a rare gift like a safe harbor and a steady Lighthouse of the Spirit and the Word to return to as a ship in fierce storms and uncertain times from a just human view of Biblical theology, Christian living, and the sadly dark madness of the world around us. Many thanks to brother Derek Prince - and no doubt, to Ruth - and those of you keeping his rich teaching fresh and alive for the present and new generation. Shalom!"

- Please pray for the *Life-Changing Spiritual Power* book project. Although it has faced several challenges, we are trusting the Lord to have it printed this year.
